The triangulated legs are beautifully detailed, and the steel cables achieve a solid stability that defies its minimal looks. The Ensa toughened glass collection features UV bonded tops in clear, etched and back painted finishes.

The Ensa aluminium leg frame is designed to work with a wide range of tops.

↳ solo

A versatile classic credenza that can be manufactured in an extensive range of finishes including veneers, laminates, coloured lacquers and our rustic textured melamines, Solo makes an eye-catching statement in meeting rooms, reception areas and social spaces, and can be specified to compliment all styles of decor.

↳ ensa

Ensa tables create a stunning centerpiece in any environment. The polished aluminium leg frame adapts to support virtually any size and shape of top in toughened glass, laminate and veneers.

echo

With its textured melamine top, and clean contemporary lines, the Echo table blends style with functionality.

The undertop, cableway and base panels are available in charcoal or white. Tops can be rectangle, boat, oval or racetrack shape and manufactured in a choice of four textured woodgrains.

Special finishes available.

Working with you

At Burgess Furniture we define spaces. It's a matter of pride that we can carry out and complete all of our projects in-house from our London headquarters.

As a manufacturer, we regularly work with our clients to customise or develop products. Once we have the design you like we can then prepare a room layout, helping you visualize exactly how it will look.

Quality and craftsmanship go hand in hand and every design that we make is independently tested to contract standards by FIRA (Furniture Industry Research Association) to ensure it meets industry standards.

Our quality control department ensures that every product reaches the highest standard before receiving the GB hallmark stamp – the guarantee that it is a genuine, high quality Burgess product. Once they have passed the test they then can be shipped direct to you, wherever you are in the world!
